Vivek

Cleared prelim after a long time with your guidance;
Time to work harder for Mains.

Divyanshu Singh

I followed the YPLP schedule and benefited from the MAD series. I always wondered how people after giving interviews and with 1-2 week preparation clear prelims, I've seen no one telling about this, but when you mentioned it, I connected with it thoroughly and decided to follow it.

Two Things are very important: 1st to trust that it works and 2nd to inculcate that aptitude, not just by rote learning but by practicing (I had solved the 2016-23 paper live around 10-12 times) through which it got inculcated, and I didn't hesitate to apply it in the exam. And one more thing, I made ORNs for monthly magazines, I watched your lecture on PT365 policy, and I got a direct question about which language was added through 71st CAA. Thank You!

Sohan Phate

Cleared prelims and want to clear mains with good score under your guidance.

Shiddhant Singh

Bhaiya I feel proud to say that you are my mentor. I worked very hard for 9 months. I got an injury in my back. Had many sleepless nights, couldn't even walk for a few meters, but still I studied, baithkar ni to laitkar, 8 ghnte ni to 2-3 ghnte, very difficult, and **you came as a savior. My second phase of preparation was entirely based on your plans and you.** Thank You sir, and thanks to your entire team

Jitendra kumar

First of all, many thanks to Satyam Jain sir and the entire Understand UPSC team. **I have immensely benefited from the MAD series and YPLP—especially CSAT.** I am excited to finally prepare for the main exam and thoughts are, **"Ye Mains.
